

The Psychiatry of Neurodevelopmental Disorder Special Interest Group

Invites representatives from all professions from all Specialised Autism Teams for Adults [SATs] in U.K.

to attend a meeting at the

Royal College of Psychiatrists

21 Prescott Street, London E1 8BB

on Friday 14th February 2020

The purpose to get up to 50 clinicians in a room from across the nation to discuss how to provide mutual support and also to reduce unnecessary variation between teams.

Draft Agenda:
